

CONSTRUCTION SUPPLIES TRADING & GENERAL SERVICES

From supply to service —
we deliver convenience,
safety, and quality.

COMPANY PROFILE

About Us

Strategically based in Wakas North, Pilar, Bataan, ALPHAZ CONSTRUCTION SUPPLIES TRADING AND GENERAL SERVICES is a dynamic, service-oriented company offering high-quality construction materials, professional cleaning solutions, and property maintenance for residential, commercial, and industrial clients.

We don't just supply – we serve.

From sourcing premium construction products to delivering specialized cleaning and maintenance services, our commitment is rooted in:

Superior quality products and services

Highly trained, courteous, and reliable staff

Modern tools, safe solutions, and eco-friendly practices

Customized, transparent service packages tailored to your needs and budget.

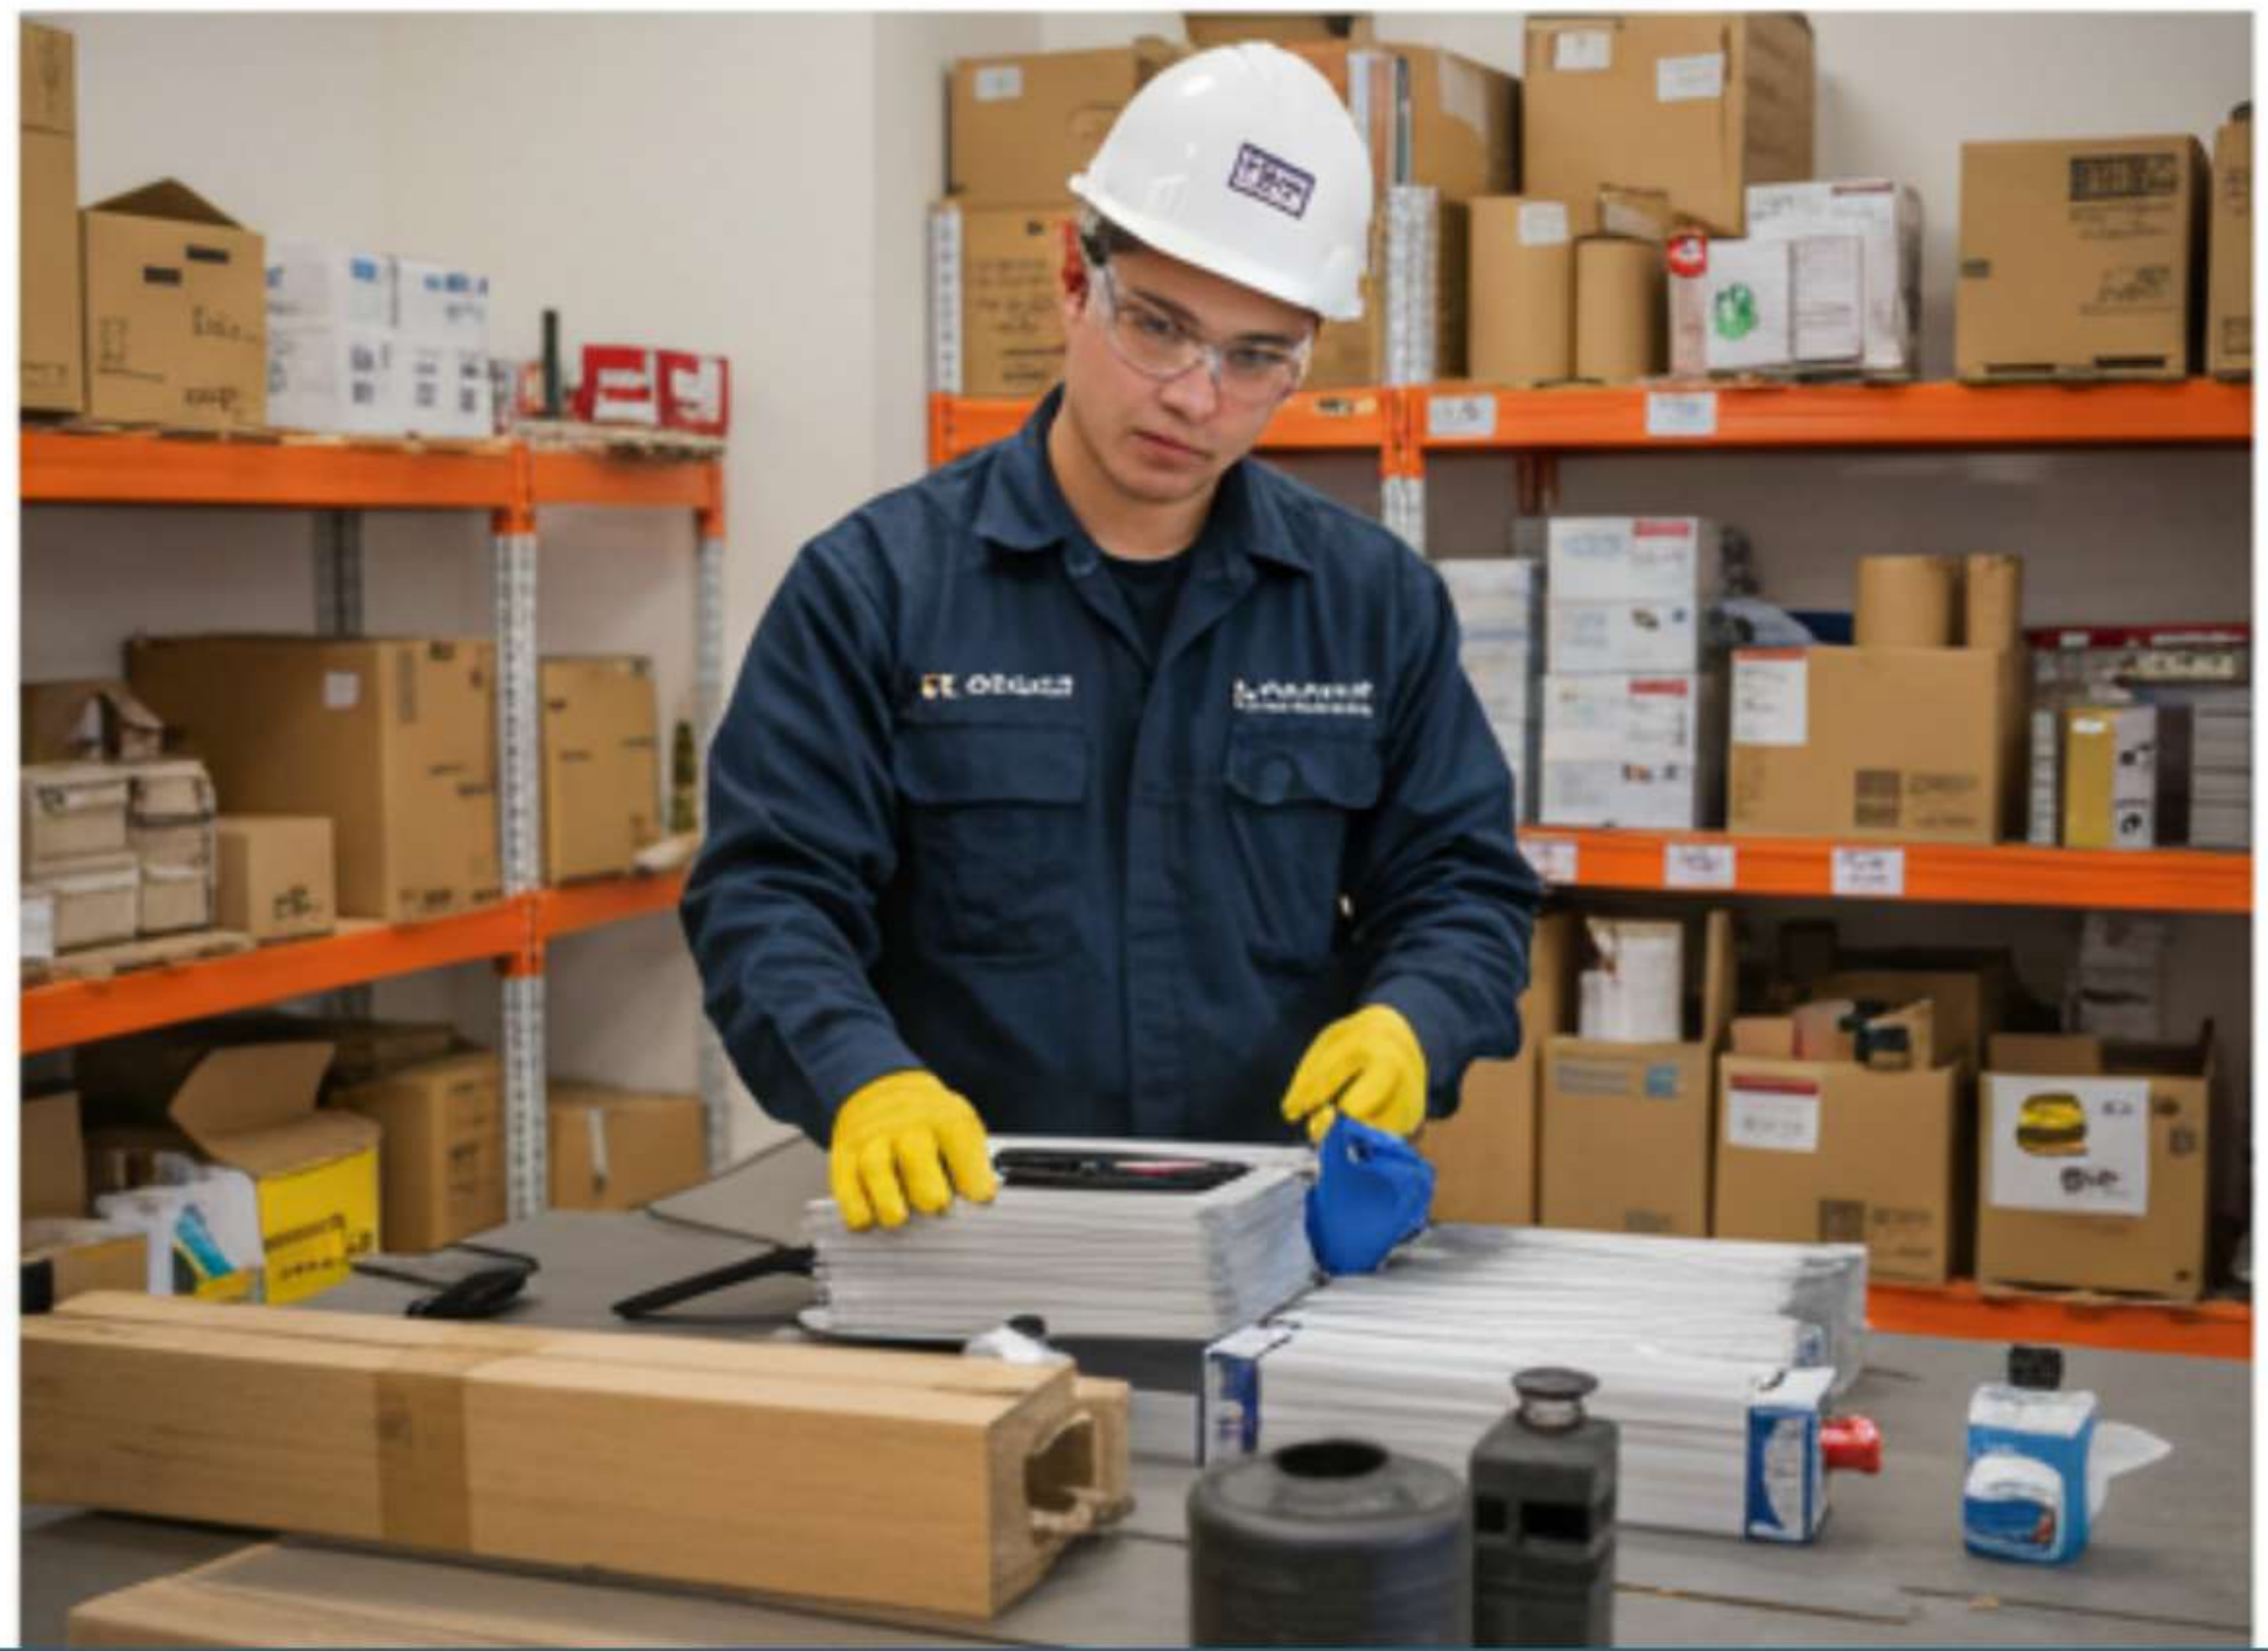

Mission

To be your trusted partner in construction supply and property care by delivering reliable materials and exceptional cleaning and maintenance services that ensure clean, safe, and functional environments for Filipino families and businesses.

Vision

To be the leading consulting firm recognized for our ability to transform businesses by combining cutting-edge technology with strategic insight, ultimately driving unparalleled success and growth for our clients.

CORE SERVICES

- Construction Supply Trading
- Residential, Commercial, and Specialized Cleaning
- Air Conditioning Services
- Solar Panel Cleaning & Maintenance

We provide innovative, data-driven solutions that drive growth, efficiency, and sustainable success for our clients.

As a startup, we are committed to delivering tailored consulting services that meet the unique needs of each client, helping them to achieve their strategic objectives in an increasingly competitive and dynamic environment.

CONSTRUCTION SUPPLIES TRADING

Cement, steel, gravel, tools, PPE, roofing, waterproofing, and more

- Competitive pricing
- Bulk orders and custom sourcing
- Consistent quality control

RESIDENTIAL CLEANING

Types: Basic, Standard, Deep, Move-In/Out, Post-Construction

Benefits:

- Reduces allergens and viruses
- Improves air quality
- Prevents pest infestations

Recommended: Bi-weekly / Monthly / Quarterly

Manpower: 2–6

COMMERCIAL & INDUSTRIAL CLEANING

- - For offices, retail, warehouses, production areas
 - Inclusions: Disinfection, restroom sanitation, mold removal.
 - Reduces sick days
 - Boosts employee morale
 - Maintains your professional image -
- Manpower: 4–10

We work with organizations to streamline their operations, reduce costs, and improve productivity. Our experts analyze existing processes, identify inefficiencies, and recommend best practices that lead to increased efficiency and improved bottom-line performance.

SPECIALIZED TRAUMA CLEANING

- Biohazard and decomposition cleanup
- PPE-equipped professionals
- Odor removal, fogging, and full disinfection
- Critical for safety, legal compliance, and peace of mind.

AIRCONDITIONING CLEANING

- Types: Window, Split, Cassette, Suspended, Ducted, VRF/VRV
- Services: Filter wash, coil cleaning, Freon test, system check
- Saves up to 30% on energy bills
- Prevents mold & respiratory illness
- Every 3–6 months

SOLAR PANEL CLEANING

Solar panels must be clean and damage-free to operate efficiently. Bird droppings, dust, leaves, and pollution can block sunlight and reduce power output by up to 25%.

Services Provided:

- Eco-friendly soft-bristle brush cleaning
- pH-neutral water rinse
- Visual and drone inspections
- Panel bolt/clip tightening
- Gutter and debris removal (in advanced packages)
- Inspection reports with before/after photos

SERVICE PACKAGES

Tiered Options:

- Essential (Routine Cleaning)
- Advanced (Includes minor repairs, inspections)
- Complete (Gutters, moss removal, loyalty perks)

Add-ons:

Scaffold setup

Portable Deionized Water (DI Water) or Distilled Water Supply.

Why It's Important:

- Improves efficiency
- Protects equipment warranty
- Extends system lifespan
- Identifies early damage or faults
- Improves system performance and ROI
- Prolongs the life span of your solar system

WHY CHOOSE ALPHAZ FOR REGULAR CLEANING & MAINTENANCE?

Consistency and Professional Results

- Expert teams trained in health and safety compliance.
- High-quality tools, certified chemicals, and eco solutions.

Health, Safety, and Peace of Mind

- Cleaner environments mean fewer illnesses and allergens.
- Reduces employee absences and home health risks.

Financially Smart

- Routine maintenance prevents costly repairs.
- Increases equipment and asset longevity.

Legal and Compliance Benefits

- Meets health codes and regulatory standards.
- Ensures liability protection for trauma/biohazard situations.

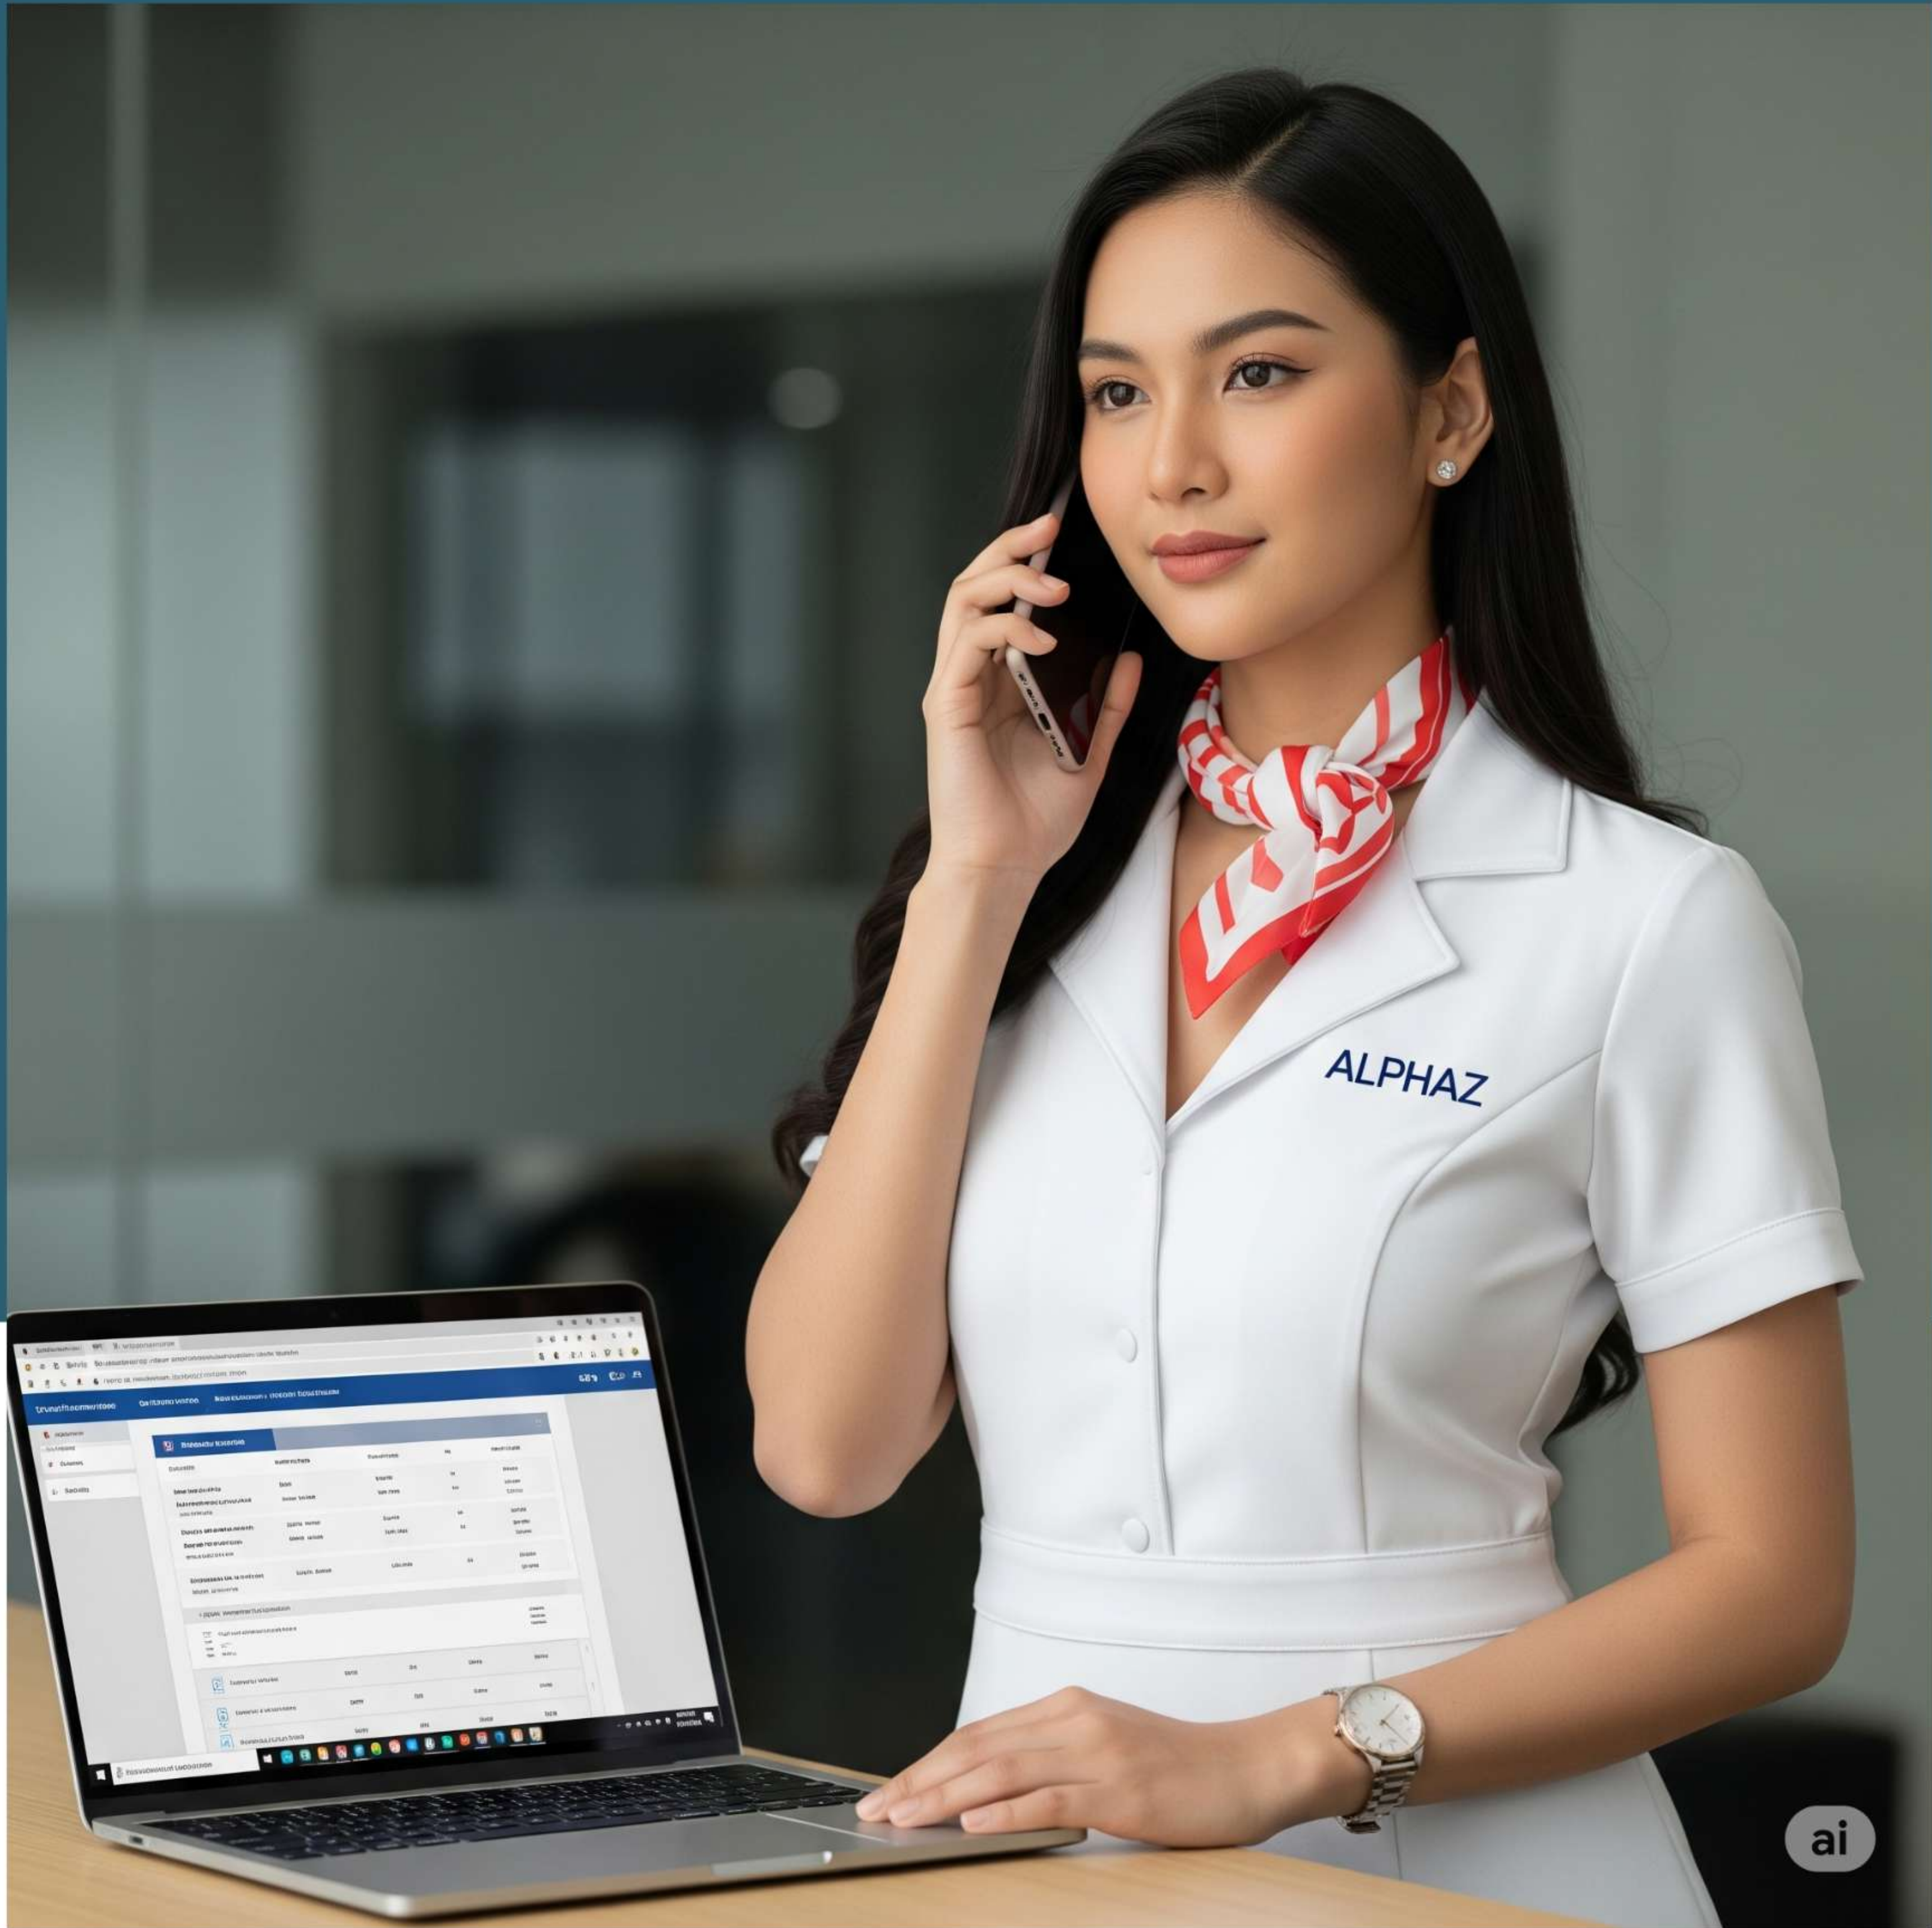

Data-Driven and Transparent

- Reports, photos, and documentation with every job.

FACT-BASED JUSTIFICATION

- Harvard & ISSA studies show clean workplaces reduce absenteeism by 46%.
- CDC reports that sanitizing surfaces decreases viral transmission.
- DOE confirms clean ACs reduce power consumption significantly.
- National Renewable Energy Lab states solar panels lose up to 25% efficiency if dirty
